EDUCATION

University of Education, Lahore, Pakistan

Nov 2021 - May 2025

- BS Information Technology
- CGPA: 3.49/4.00
- 4 times UE Merit-Based Scholarship Holder, Prime Minister Laptop Scheme 2023 Holder

EXPERIENCE

Software Engineering Fellow (Headstarter AI)

July 2024 - Sep 2024

- Developed, and deployed AI-powered projects using React.js, Next.js, Firebase, and Vercel, ensuring responsive and scalable solutions.
- Worked in a team of 4 to develop an interactive chatbot using MERN, and integrated Gemini API.
- Participated in weekly sessions with engineers and experts from Google, Stanford, Amazon, and venture-backed startups, where they reviewed our resumes, shared their journeys, and inspired us with valuable insights into career growth and innovation..

Web Developer (Black Silk Studio)

July 2023 - Feb 2024

- Designed and developed 5+ responsive websites for multiple clients using Elementor in WordPress, ensuring cross-browser compatibility and delivering high-quality user experiences.
- Optimized the company's website performance, achieving a 20% increase in speed through code minification and image compression techniques, resulting in better SEO rankings and user retention.
